We believe parenting prospect specifically targets our key families with professionally written articles that are unique and diverse and are confident that we effectively reach our core audience each and every month with timely and relevant information to ensure that the messaging is read, absorbed, and ultimately helps us to stand out in a very competitive market. Jonaas camilo Director of Marketing team

••• Parenting prospect supports our school as a partner in a shared mission. They share our school's priority of bringing meaningful information to parents so that they can make the best educational choices for their children.

Ashley Kai President EEGInfo

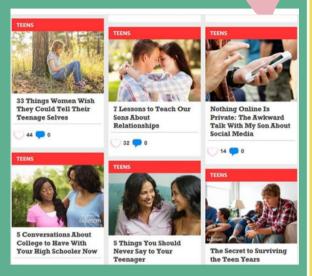

Parenting prospect has been one of the only publications that realiably connects our company with parents and families who need and value our services. I also really appreciate the personal care and love for the magazine and it's content that I've seen demonstrated from the owners and 99 employees at parentingprospect.

OUR GOALS TELL YOUR STORY TO OUR AUDIENCE

Join our vibrant community of over 300,000 parents! Connect, learn, and thrive together with the support and resources you need for your family's journey. Our targeted database is designed specifically for families with children experiencing learning differences, ensuring they receive the most relevant support, resources, and connections to enhance their journey

Who do you want to reach? We can organize our list based on location/zip code, the age of children, the age of parents, and more! The more precise your targeting, the less waste and the better the results. Plus, we provide detailed analytics for every campaign

Ask us

To reach families who have children with learning differences, we have developed a targeted database dedicated to this vital part of our community.
